

# EXTRA MUSEO

L'ECOMUSEO TI PARLA

## 1 - LETS GO!

Go to the Ecomuseum, pick up the talking backpack and the map: follow the red trail, the walk takes about an hour.

## 2 - ON THE GO: OPEN YOUR EYES AND STICK YOUR EARS UP!

Along the way you will come across 10 wooden totems: approach them, hang your backpack on the blue hook and... listen to Caterina the sheep who will tell you a piece of history!

## 3 - PLAY WITH US

On the back of the map there are some riddles to be solved at each stage and space to write down the correct solution: will you be able to find the mysterious phrase in the end?

## 4 - ARRIVAL

The story of Caterina the sheep will lead you to the Pietraporzio play area, where you will find the last totem and the last riddle to solve.

## 5 - RETURN TO THE BASE

To return to Pontebernardo and return the backpack, you can take the outward journey in reverse, or take the one indicated in orange on the map.

## 6 - A PATH ACCESSIBLE TO ALL

The route can also be used in CAA - Augmentative Alternative Communication: ask for the booklet upon departure, or download it from [cityfriend.it](http://cityfriend.it)
